FOR IMMEDIATE RELEASE

**HOME BUYERS WARRANTY CORPORATION HONORS BOBBY RAYBURN**  
**WITH "COMMITMENT TO THE INDUSTRY" AWARD**

(March 2005) ATLANTA, GA –Home Buyers Warranty Corporation (2-10 HBW®) is proud to honor the immediate past president of the National Association of Homebuilders, Bobby Rayburn, with the 2-10 HBW Commitment to the Industry Award. Only one individual has been selected to receive this significant award, which pays tribute to industry leaders who have demonstrated significant contribution to the success of the building industry.

Rayburn has been an effective leader in various roles within the building industry. On the national level, Rayburn has chaired a number of task forces and committees, including Build-PAC. An expert at creating partnerships to build affordable housing, Rayburn co-authored the publication "Affordable Housing Development" for the U.S. Department of Housing and Urban Development. He is active in numerous community service endeavors, including having served as president of his local chapter of the American Cancer Society, and is co-founder of the Home Builders Association of Mississippi's Student Chapter at the University of Southern Mississippi. In addition, Rayburn is a member of the NAHB Executive Board and is a Senior Life Director. As a Mississippi homebuilder for over 33 years he has constructed more than 3,300 homes. He has served as president of the Home Builders Association of Greater Hattiesburg and the Home Builders Association of Mississippi and continues to serve on the Board of Directors of the Jackson Home Builders Association. Rayburn was also named Builder of the Year by the Hattiesburg Home Builders Association in 1979, and was elected to the Mississippi Housing Hall of Fame in 1999.

"For more than three decades Bobby Rayburn has exemplified commitment and strength in the building industry," said 2-10 HBW CEO, Em Fluhr. "His dedication, loyalty and hard work are tremendous assets to the forward momentum of the industry and we are proud of our enduring relationship with him as an industry partner."

Home Buyers Warranty Corporation, one of the nation's leading risk management companies for the home building industry, continues to provide the most effective and affordable warranty protection for new, manufactured, and modular homes in the country.
