Home Buyers Warranty®

Your Home is Protected With the Best Warranty Available

When a Builder/Retailer Displays the 2-10 Symbol, You Can Buy With Confidence.

Buying a new home often becomes the most expensive purchase you ever make and one that you will want to protect. High on your shopping list should be a new home that comes with a 2-10 warranty from 2-10 Home Buyers Warranty®. The 2-10 HBW warranty provides risk reduction, increases the resale value of the home, and often saves the homebuyer money after closing when the unexpected and unforeseen happens.

Builder Screening Process Protects You!

To be a member of the 2-10 Home Buyers Warranty Program, your Builder / Retailer has exceeded 2-10 HBW's stringent screening process for construction standards, financial stability and customer satisfaction.

Important Home Warranty Facts:

- Ten Full Years of qualified structural coverage from the date of closing
- 1-year surety coverage against defects in workmanship
- 2-year surety coverage on systems
- Warranty is transferable, increasing the resale value of the home
- Cost-effective means of resolving disputes; 95% of complaints are settled prior to arbitration
