

Grow your business

with 2-10 Home Buyers Warranty

Did you know that the home warranty business is a \$2 billion per year industry? More and more, homeowners are turning to Home Warranty Service Agreements to protect the major systems and appliances in their homes, while also protecting their budget. As a Service Contractor, this trend provides a huge opportunity for you to grow your business by partnering with 2-10 Home Buyers Warranty (2-10 HBW).

Benefits of Partnering with 2-10 HBW

Teaming up with 2-10 HBW provides outlets to increase your call volume, grow your client base, reduce costs, and more.

Receive Consistent Work		By partnering with 2-10 HBW, you get access to a stable, reliable volume of work throughout the year. This provides reliable cash flow, and makes it easier to manage staff and keep talented technicians.
Get More Referrals		With the consistent volume, you're constantly getting in front of new customers. Not only does this mean the potential to turn them into repeat customers, it also means continual opportunities for more referrals.
Access More Customers		A great benefit to working with 2-10 HBW is the access you get to a closed pool of customers. Our homeowners rely on us to dispatch service requests and we utilize our network of partners.
Lower Customer Acquisition Costs		Teaming up with 2-10 HBW means you don't have to spend big money on marketing and advertising to keep the phones ringing. We have the customers and send them directly to you.
Eliminate Headaches Getting Paid		Working with 2-10 HBW means you get paid faster and with less hassle. We pay the invoices, so you don't have to chase down homeowners, worry about non-payment or wait extended periods to be reimbursed for your hard work.

These are just a few of the advantages of partnering with 2-10 HBW.
