Who, what, when and how?

When does my coverage begin?

Coverage begins on the Effective Date and ends on the Expiration Date, both shown on the front of this Agreement (the "Term"). If the Term is longer than one year, each Dollar Limit and the Total Limit will reset on each anniversary of the Effective Date during the Term. We are only obligated to provide Service upon receipt of payment of the total cost shown on the front of this Agreement (the "Price"). Your Agreement with coverage details will be sent to your mailing address, or electronically, if "Go Green" is selected in your profile at 2-10.com/homeowner.

What is Covered?

We refer to residential systems and appliances as "Items." To be a "Covered Item" eligible for Service, the Item must be within the main foundation of the Home and attached garage (the "Serviceable Area"), specifically listed as covered in your coverage, and in good and safe working condition as of the Effective Date (unless a defect could not have been detected by a visual inspection or simple mechanical test). HVAC equipment located outside the Home is also covered, as well as other specific Items, if the coverage you select specifically identifies a particular Item as covered. We provide Service for Covered Items that fail due to normal wear and tear (a "Failure"). Only nonmobile, habitable, residential structures with a Serviceable Area under 10,000 sq. ft. are eligible for Service, and coverage for Serviceable Areas greater than 5,000 sq. ft. is subject to an additional fee. We will not provide Service in a commercial property or residence being used for business purposes (e.g., short-term rentals, bed and breakfasts, care centers, group homes, fraternity/ sorority houses, hair salons, and schools). If your Home is within a multiunit building, Service is limited to Covered Items specific to your dwelling unit.

What is the Service that 2-10 HBW provides?

2-10 HBW works with Contractors to reduce your unexpected costs related to repairing a Failure of a Covered Item (the "Service"). Service begins when you notify us of a possible Failure via 2-10.cm/homeowner or by calling 800.775.4736. We will dispatch a Service Contractor to your Home to diagnose the Failure and report back to us. We then will determine: 1) whether the Item is a Covered Item; 2) the nature of the Failure

3) whether repair, replacement, or Payment is appropriate; and 4) which costs are covered under this Agreement and which are your responsibility. We reserve the right to dispatch an additional Contractor at our expense if we need more information to make a coverage determination. If we determine replacement is appropriate, we will use reasonable efforts to find a replacement Item or Component (a "Replacement") that performs the primary function of the Covered Item or Component being replaced (e.g., a refrigerator cools food and a dishwasher cleans dishes) and that has a similar capacity and efficiency in support of that primary function. A Replacement may not match or include any specific features, dimensions, style, model, or brand of the Covered Item or Component. Service does not cover any secondary function or any convenience functionality, multi-media, cosmetic detail, or wireless capability, even if it contributes to the primary function, unless explicitly stated in the applicable coverage.

When is Service available?

You can request Service 24 hours a day, 7 days a week during the Term. We will generally assign a Contractor within 48 hours to contact you to schedule a time, Monday through Friday during normal business hours, for diagnosis. **If you request a Contractor to visit your Home for a non-emergency situation outside of normal business hours, and the Contractor accommodates your request, you will be responsible for all overtime and additional fees.**

Determining an emergency

When we determine it is an emergency, we will attempt to have a Contractor contact you within 24 hours. An emergency is generally defined as: 1) no electricity, gas, water, or toilet facilities to the entire Home; 2) ongoing physical damage to the Home; or 3) a condition that immediately endangers an individual's health and safety. However, an emergency does not modify our obligations in this Agreement, and we cannot guarantee immediate Service or coverage in any situation, so you should take reasonable precautions as you normally would in an emergency.

The Service Fee

It is your responsibility to pay a Service Fee directly to the Contractor for each Covered Item (e.g., water heater and pipe leak require separate Service Fees). Each Service Fee is due when the Contractor visits your Home for diagnosis. Please review this entire Agreement for additional details about your responsibilities and the scope of the Service, and call 800.775.4736 with any guestions.

Who repairs and replaces the Covered Items?

Repairs and replacements are performed by local, independent Contractors. We have pricing arrangements with a network of Contractors across the country (each a "Service Contractor"), which helps us ensure we can provide the Service to you at a reasonable rate. You may also request to use another fully licensed and insured Contractor that we do not have a pricing arrangement with (each "Your Contractor") to work with us to complete the Service. When we use the term "Contractor," that means, as applicable, Your Contractor or a Service Contractor. When you report a Failure, we will first look to dispatch a Service Contractor. If no Service Contractor is available in your area, we may request that you have Your Contractor contact us to proceed with the Service. You may also request to use Your Contractor if, for example, you do not want to wait for an available appointment with a Service Contractor. However, you will be responsible for the difference in costs between what we would have paid a Service Contractor and the expense of using Your Contractor, including costs related to Your Contractor's refusal to follow our determination of the appropriate response to a Failure. Regardless of whether we work with Your Contractor or a Service Contractor, we must receive a detailed diagnosis and estimate from the Contractor to determine whether the Failure is eligible for Service. Contractors provide a service to you and are not our agents or employees. Contractors do not have the authority to bind us to any coverage decision through their words or actions, including performing repairs before we are able to review a full diagnosis. When using Your Contractor, we will provide you with separate written instructions on how to proceed ("ONCInstructions"). You will not receive reimbursement and will remain solely responsible for every cost arising from any work, Services, or equipment any Contractor, company, or individual performs or provides without our prior express authorization and in accordance with this Agreement and the ONC Instructions, even for Covered Items that would otherwise be eligible for Service.

Throughout this Agreement we use capitalized terms for words with specific definitions. These definitions are identified where a capitalized term is underlined and in quotations. This Agreement includes the following provisions in addition to those stated on every other page. Section V below contains important provisions for the use of final and binding arbitration.

I. Payments. (a) We may, at our sole discretion, offer money to resolve a claim ("Payment"), for example, when: (1) the cost to address a Failure exceeds an applicable Dollar Limit; (2) repairing or replacing a Covered Item would violate laws, regulations, or code; (3) a necessary part, item, material, or chemical ("Component") or Contractor is not reasonably available, or a Contractor is unable to determine the appropriate Component; or (4) you prefer Payment. (b) Payment will be the lesser of: (1) the lowest quoted amount obtained by us to remedy the Failure received from a local Contractor; (2) the amount we would have paid a Service Contractor to remedy the Failure; (3) our estimated retail amount to remedy the Failure; or (4) the applicable Dollar Limit less the Service Fee and costs incurred to diagnose the Failure. When appropriate, we may issue a portion of the Payment to a Contractor or subject to other requirements or restrictions. Once you accept a Payment, we are no longer responsible for providing Service for the Covered Item under any agreement unless you provide acceptable proof of repair or replacement. At our sole discretion, we may offer a Replacement appliance of equal value to the Payment.

II. Additional Responsibilities. You agree to: advise us if your Serviceable Area is greater than 5,000 sq. ft.; reasonably

Terms of Service

clean and maintain Covered Items; not harm/damage a Covered Item or Component; provide a safe working environment for Contractors; not damage property of a Contractor; and not threaten/harm us or a Contractor via phone, email, personal interaction, internet, social media, or otherwise.

III. Non-Covered Costs. (a) Addressing a Failure may involve work, parts, systems, equipment, or materials that are outside the scope of the Service ("Excluded Work"), for example: (1) work related to non-Covered Items; (2) the incompatibility of existing systems or appliances with a Replacement; (3) carpentry or modifications necessary to facilitate Service; or (4) providing chemicals or materials needed by a Replacement to perform its primary function, for example differences in technology, refrigeration requirements, or efficiency. (b) You are responsible for all costs arising from Excluded Work or otherwise stated as your responsibility ("Non-Covered Costs"). Unless expressly stated as our obligation herein, Non-Covered Costs include costs related to: (1) permits, codes, ordinances, laws, and/or regulations (for your protection, we will not authorize Service until you provide us with confirmation that all permits and approvals are obtained); (2) accessing Covered Items; (3) correcting, repairing, or replacing a Covered Item and/or Components because of inadequate capacity, manufacturer's recall, improper design, improper installation, previous repair, or problems

caused by alterations or modifications; (4) mandates of federal, state, or local governments, including upgrade or equipment matching requirements and tariffs (and all fees, costs, and surcharges passed along or charged to us by our suppliers and Service Contractors related thereto); (5) any service on a Covered Item initiated before the Effective Date; (6) disposing of hazardous materials such as refrigeration Components, capacitors, and water heaters; (7) a material increase in third-party charges for labor, Components, or Items as a result of tariffs, severe or unseasonable weather, extreme temperatures, or other abnormal atmospheric conditions; or (8) sealing, verification, and/or diagnostic testing of ductwork. Non-Covered Costs will be billed directly to you. If you refuse to accept any Non-Covered Costs, we have no obligation to perform Service and will not refund the Service Fee.

IV. Exclusions; Liability Limits. (a) We have no obligation to provide Service if: (1) a Failure is caused by anything other than normal wear and tear (whether acting alone or together with another cause) including: a Failure of another Covered Item or Component, failure to perform routine maintenance, extreme or gross neglect, misuse, abuse, missing parts, movement of your Home, soil movement, fire, freezing, explosion, electrical failure/surge, flooding, water intrusion, lightning, mud, earthquake, storms, accidents, pests,

animals, microorganisms, plants, contamination, or chemical interactions; (2) a Covered Item is classified as or otherwise known to be commercial grade; (3) an HVAC unit has a capacity greater than five tons; (4) you breach any of your responsibilities in this Agreement. (b) Our Service is secondary and excess to any other coverage available to you via an insurance policy, manufacturer warranty and/ or labor warranty. The presence of such coverage may delay Service while we await fulfillment of the respective coverage provider. You agree to waive any right or recovery of claims by anyone claiming through you, by way of subrogation or otherwise, including any insurers. (c) Each Item or Component listed as Covered in a particular coverage is excluded from each other coverage, unless explicitly stated otherwise therein. (d) Express Warranty: The Service will be provided with the same reasonable degree of care customarily provided within the home service industry. If this express warranty is breached, then we shall, at our option, reperform the Service or refund the Price. (e) EXCEPT AS EXPRESSLY PROVIDED HEREIN, ALL WARRANTIES WITH RESPECT TO SERVICE OR THIS AGREEMENT, WHETHER EXPRESS OR IMPLIED, ARISING BY LAW, CUSTOM, ORAL, OR WRITTEN STATEMENTS BY US, OUR AGENTS, OR SERVICE CONTRACTORS, **OR OTHERWISE (INCLUDING ANY WARRANTY OF** MERCHANTABILITY, SATISFACTION, OR FITNESS FOR PARTICULAR PURPOSE) ARE EXCLUDED AND DISCLAIMED TO THE FULLEST EXTENT PERMITTED BY LAW. IF AN IMPLIED WARRANTY CANNOT BE **EXCLUDED BY APPLICABLE LAW, SUCH WARRANTY** IS LIMITED IN DURATION TO THE GREATER OF 1 YEAR OR THE SHORTEST DURATION ALLOWED BY APPLICABLE LAW. YOU MAY HAVE OTHER RIGHTS THAT VARY AMONG JURISDICTIONS. (f) IN NO EVENT SHALL WE BE LIABLE FOR ANY INDIRECT, SPECIAL, PUNITIVE, OR CONSEQUENTIAL DAMAGES OF ANY KIND SUFFERED BY YOU OR ANY THIRD PARTY, FOR EXAMPLE, LOST PROFITS, BUSINESS INTERRUPTIONS, TENANT DEMANDS, OR OTHER ECONOMIC LOSS RELATED TO THIS AGREEMENT OR THE SERVICE. WE SHALL NOT BE LIABLE FOR ANY DAMAGES RELATED TO (1) COST OF PROCUREMENT OF SUBSTITUTE SERVICE; (2) ANY LOSSES, LIABILITIES, **OR CLAIMS INCURRED OR ARISING IN CONNECTION** WITH THE USE OR PROVISION BY YOU OF SERVICE; OR (3) THE ACTS OR OMISSIONS OF YOU OR YOUR AGENTS, INSURERS, OR CONTRACTORS. (g) DURING EACH ONE-YEAR PERIOD OF THE TERM, THE TOTAL AGGREGATE LIABILITY OF US, OUR PARENTS AND AFFILIATES, AND THE RESPECTIVE OWNERS, OFFICERS, DIRECTORS, EMPLOYEES, AGENTS, SUBCONTRACTORS, AND ASSIGNS THEREOF FOR ANY AND ALL COSTS, DAMAGES, FINES, LIABILITIES, LOSSES, PENALTIES, ATTORNEY FEES, WITNESS FEES, AND OTHER EXPENSES INCURRED BY YOU **ARISING OUT OF OR RELATED TO THIS AGREEMENT** WILL NOT EXCEED \$25,000 (the "Total Limit"). THE EXISTENCE OF ONE OR MORE CLAIMS OF ANY KIND(S) IN ANY FORUM(S) WILL NOT ENLARGE THE FOREGOING LIMITS. (h) WHERE ANY COVERAGE OR PORTION THEREOF IS ACCOMPANIED BY A SPECIFIED MAXIMUM (the "Dollar Limit"), THAT DOLLAR LIMIT IS A CAP ON AMOUNTS WE PAY IN CONNECTION WITH THAT COVERAGE OR PORTION THEREOF DURING EACH ONE-YEAR PERIOD OF THE TERM, AND DOES NOT EXPAND OR ENLARGE THE TOTAL LIMIT OR ANY OTHER DOLLAR LIMIT. (i) THE WAIVERS, **EXCLUSIONS, AND LIMITATIONS SET FORTH IN THIS** AGREEMENT SHALL: APPLY REGARDLESS OF THE FORM OF ACTION, WHETHER IN CONTRACT, TORT, STRICT LIABILITY, OR OTHERWISE; BE INDEPENDENT OF AND SURVIVE THE TERMINATION OR **EXPIRATION OF THIS AGREEMENT OR ANY FAILURE** OF THE ESSENTIAL PURPOSE OF ANY WARRANTY **OR EXCLUSIVE OR LIMITED REMEDY STATED HEREIN;** AND APPLY EVEN IF WE ARE ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

"Contract"): You and we agree that any complaint, controversy, or dispute arising out of or relating to this Agreement, the breach of this Agreement, or the Service (a "Complaint") shall exclusively be resolved by binding arbitration and not by a judge or jury. The arbitration shall be conducted by Arbitration Resolution Services, Inc. ("ARS"), and you and we agree to be bound by the applicable rules of ARS, which can be found at arbresolutions. com. If ARS is not available and you and we are unable to agree on an alternative arbitration service, either may petition the American Arbitration Association ("AAA") to appoint a single arbitrator to conduct the arbitration under AAA's then-current commercial or consumer rules, as applicable. This Contract covers disputes based upon contract, tort, consumer rights, fraud, and other intentional torts, negligence, constitution, statute, regulation, ordinance, common law, and equity. A demand for arbitration shall be made within a reasonable time after the Complaint has arisen but in no event after the applicable statute of limitations. The arbitrator shall not have the authority to render any decision contrary to this Agreement, including any of the limits or exclusions stated herein. The decision of the arbitrator shall be final and binding and may be entered as a judgment in any court of competent jurisdiction. This Contract involves and concerns interstate commerce and shall be governed by the Federal Arbitration Act (9 U.S.C. § 1, et seq.) to the exclusion of any other inconsistent law, ordinance, or judicial rule. This Contract is selfexecuting. Any disputes concerning the scope, interpretation, or enforceability of this Contract, including its revocability or voidability for any cause, the scope of arbitral issues, and any defense based upon waiver, estoppel, or laches shall be decided by the arbitrator. The party initiating arbitration is responsible for all filing fees, regardless of the applicable rules of the arbitration service with all additional arbitration fees allocated to you and us as provided in the rules of the arbitration service, subject to the arbitrator's discretion to reallocate arbitration fees in the interests of justice. The prevailing party in any court action brought for the enforcement or interpretation of this Contract shall be entitled to receive from the losing party a reasonable sum for its attorneys' fees and costs, in addition to any other relief to which it may be entitled. (b) Class Action Waiver. You hereby agree that you will only bring a Complaint in your individual capacity, and not as a plaintiff or class member in any purported class, multiple plaintiff, collective, representative, or similar proceeding (each a "Class Action"). You expressly agree to not maintain any Class Action in any forum. Instead, you agree to have each and every Complaint decided individually through arbitration. Complaints cannot be consolidated in arbitration unless all parties jointly agree in

VI. Ending This Agreement. (a) You may cancel this Agreement by calling 855.280.1320. (b) We may cancel this Agreement upon notice to you if we conclude: (1) you made a material misrepresentation concerning this Agreement or the Service; (2) you failed to pay any amount due; (3) you breached any of your responsibilities herein and failed to or are unable to cure such breach; or (4) a change in regulations or laws materially affects our business or ability to fulfill our obligations. (c) If the Agreement is canceled, you remain liable to each Contractor for any outstanding expenses that are your responsibility under this Aareement. (d) Unless otherwise provided in Section IX for your state, (1) a \$75 administrative fee applies to cancelation and (2) based on the date cancellation takes effect, you will receive a pro rata refund of the Price paid, less our claims expense and any fees you owe, unless our claims expense plus any fees you we exceed the Price, in which case you will remain liable to us for the full Price. (e) If you provide us with a credit card for installment payments or renewals, you hereby explicitly authorize us to charge any amounts due to us to that credit card, including renewal fees if you consented to or requested to have this Agreement automatically renew. (f) Upon advance notice to you, we may adjust pricing, terms, and/or coverage for the renewal of this Agreement, which will take effect at the end of the current Term.

VII. Miscellaneous. At our discretion, you may pay the Price in installments, which may be subject to a processing fee not to exceed 10% of the Price. The language of the Agreement shall be construed simply, as a whole, and in accordance with its fair meaning, and in the event of an ambiguity or dispute, not for or against you or us. Only our officers, by written instrument, can alter any aspect of this Agreement. No action or inaction by any party shall be deemed a waiver, consent, or admission by

2-10 HBW. The words "without limitation" are deemed to follow the words "include" or "including." All headings are solely for convenience. If any provision of the Agreement is held to be invalid, illegal, or otherwise unenforceable, it shall, to the extent possible, be enforced consistently with the stated intention of you and us, or, if incapable of such enforcement, stricken from this Agreement, and all other provisions shall remain in full force and effect. If the Class Action Waiver is unenforceable, and not reversed on appeal, Section V (b) shall be void in its entirety. If a court determines a public injunctive relief claim may proceed despite the Class Action Waiver, and that determination is not reversed on appeal, the public injunctive relief claim will be decided by a court, any individual claims will be arbitrated, and the parties agree to stay the public injunctive relief claim until the other claims are finally concluded. You are responsible for any applicable sales tax affiliated with payments you make in connection with this Agreement. The Price of this Agreement is valued at 94% for all real property items and services and at 6% for all personal property items and services. You may only transfer this Agreement if you sell your Home. You hereby provide your consent for us and our agents to call, text, email, and otherwise contact you to perform Service, and to send you advertisements or telemarketing messages concerning our products, services, and offerings and those of our affiliates and third-party partners (though you may opt out per applicable law). Contractors may substitute environmentally friendly or alternative refrigerants in place of existing refrigerants that have been phased out or banned by a governmental authority. We will endeavor to have the Contractor substitute a new refrigerant that will not reduce the efficiency of the system or appliance by more than 10%. If you refuse to allow the conversion to a new refrigerant, all costs associated with continuing to use the existing refrigerant, including completing Service at that time, will be Non-Covered Costs. Contractors may use non-original equipment manufacturer and/or refurbished Components when performing a repair or replacement. You may be eligible for offers of special programs, perks, and discounts in connection with this Agreement; unless explicitly stated otherwise, each such offer is governed by this Agreement, including all relevant terms, conditions, and limitations stated herein. If a third party's actions gave rise to or increased the costs of a repair, replacement, or Payment, then you agree to use reasonable efforts to work with us, at our cost, to help us recover such costs from the third party.

<u>VIII.</u> Force Majeure. We are not liable for any delay in or failure to perform Service due to conditions beyond our control and/or that of a Contractor, for example: shortages of or delays in obtaining parts or equipment; manufacturerestablished Contractor or Component restrictions; weather; labor difficulties, strikes, or shortages; telecommunications disruption; transportation stoppages or slowdowns; hyperinflation; acts of God; war; terrorism; epidemics; or difficulties locating or scheduling Contractors, including due to service demands attributable to weather, regional temperatures, or abnormal atmospheric conditions.
