

# Smiles are on the house

It's what **you** expect.

LONG LIVE HAPPY HOMES®

## Expect the little things to be covered, saving you big headaches.

The next generation Home Warranty Service Agreement from 2-10 Home Buyers Warranty (2-10 HBW) is focused on providing you and your clients with the best possible experience by delivering on expectations.

Here are some **little things** you can expect to come Standard

### Ice Maker Included with Refrigerator

We think the ability to make ice is a key feature of a properly functioning fridge, which is why you can expect ice makers to be covered

### Internal Hose Bibbs

You and your clients wouldn't be satisfied with out of pocket expenses on internal hose bibbs

### Toilet Wax Ring Seals

When repairing or replacing a toilet, expect coverage for the entire unit

### All Types of Thermostats

There's a reason you bought a Nest® for your nest. That's why we gladly repair or replace - like for like - learning, programmable and digital units

### Gas Lines

Whether encased, concealed or exposed we've got you covered - now an additional \$500 for gas lines

When it comes to delivering on expectations, the little things are a big deal, too. We know that a positive experience creates a satisfied customer and more referrals for you – and that's great for business.

It's enough to make you **smile**, isn't it?
