You'll be happy

knowing your home is protected with the most trusted Home Warranty Service Agreement available.

Seven out of every ten homes will experience a system or appliance failure during the course of a year. As someone protected by **2-10 Home Buyers Warranty (2-10 HBW)**, you will rest easy knowing you are covered by the industry leader who does things the right way.

We love happy homes!

Wherever you see this symbol, it indicates the maximum value and protection for your home or our industry exclusive coverage.

A few clicks online or a phone call will soon put a smile on your face.

here's how it works:

LONG LIVE HAPPY HOMES®

What is 'Even If' Service Fee GuaranteeSM?

'Even If' Service Fee Guarantee is exclusive to 2-10 HBW.

'Even If' an item isn't eligible for coverage, and we dispatched a service contractor, reimbursement of the paid service fee may be requested.

'Even If' also means if the same part that was serviced fails again within the duration of the Service Agreement, you will not be charged a new service fee.

When does my Home Warranty Service Agreement coverage begin?

Buyer's coverage begins at the close of sale and continues for one year from that date, and is renewable annually at our option. Payment is due at close of sale and must be received within 14 business days. A Home Warranty Service Agreement ("Service Agreement") with coverage details will be sent to the mailing address provided for the Buyer, or if "Go Green" is selected, information will be sent electronically. Seller's coverage is for the listing period and begins immediately upon enrollment. Coverage continues up to 180 days, until close of sale, the listing is cancelled or listing coverage has reached expiration, whichever occurs first.

- 1 Purchase and review your coverage and Service Agreement.
- 2 Visit 2-10.com/homeowner to complete your profile on Homeowner Portal.
- 3 Need Service? Check your Service Agreement for coverage.
- 4 Contact us at 2-10.com/homeowner or **800.775.4736**.
- 5 An independent service contractor is dispatched.
- 6 You have a happily serviced home.
- 7 Tell us about your service experience.

What is an emergency?

An emergency request is generally defined as a service issue resulting in: 1) no electricity, gas, water or toilet facilities to the entire home; 2) a system malfunction that causes ongoing damage to the home; 3) a condition that immediately endangers health and safety. With emergency requests, we will expedite service and attempt to initiate service within 24 hours.

Who pays what?

The Buyer/Seller is obligated to pay the service fee or the actual cost to repair and/or replace, whichever is less, for each separate service request. A service request means each visit by a service contractor for a single service (plumbing, electrical, appliances, heating and air conditioning and pools/spas). The service fee is due when the service contractor arrives at the home. You may not place a new request for service when a previous service fee is unpaid. Any additional work performed by the service contractor, at your request, will be at your sole cost and risk. **A service request must be received by us during the Service Agreement period. 2-10 HBW will pay or reimburse you for costs that have been pre-authorized for a covered repair. Service performed without pre-authorization will not be paid.**

How do I request service?

Contact us at 2-10.com/homeowner or **800.775.4736**, 24 hours a day, 7 days a week to place a service request. We will dispatch an independent service contractor who will schedule a time, Monday through Friday during normal business hours, to diagnose and repair your covered service request. Under normal circumstances, our service effort will be initiated within 48 hours. **If you request non-emergency service outside of normal business hours, you will be responsible for additional fees, including overtime.**

NEW!

1-2-3 Appliance GuaranteeSM

1-2-3 Appliance Guarantee replaces a Buyer/Seller appliance on the third service request following two previous repairs.

HOW IT WORKS:

1. REPAIR

A service request is placed on an appliance specifically listed as covered. An independent service contractor is dispatched to diagnose the failure. 2-10 HBW repairs the appliance.

2. REPAIR

A second service request is placed within the term of the Service Agreement for a different element on the same appliance. An independent service contractor is dispatched to diagnose the failure. If eligible and repairable, 2-10 HBW repairs the appliance a second time.

3. REPLACE

If a third service request is placed within the term of the Service Agreement for a different element on the same appliance, and is an eligible repair, 2-10 HBW will replace the appliance.

NEW!

Welcome Home Lock & HardwareSM

Welcome Home Lock & Hardware reimburses Buyers for installing new door locks, making key copies and/or re-keying their home.

HOW IT WORKS:

- Following closing, Buyers must login to Homeowner Portal (2-10.com/homeowner) to verify contact information, review coverage, and initiate the Welcome Home Lock & Hardware process.
- Buyers may choose to purchase new door locks, make key copies, and/or re-key their home within the first 45 days from closing.
- Submit paid invoice(s) and/or receipt(s) to 2-10 HBW via the process instructions.
- Receive reimbursement for incurred expenses. Reimbursement amount not to exceed \$150 for qualifying expenses. No service fee required.

TERMS AND CONDITIONS

To keep the cost of this Home Warranty Service Agreement ("Service Agreement") affordable, we cannot cover everything. Cost limits for Buyer/Seller coverage are identified in the trade section under the title "DOLLAR LIMITS" on pages 3, 4 and 5. Seller "DOLLAR LIMITS" do not apply to Buyer Coverage. Service requests can be submitted at 2-10.com/homeowner or 800.775.4736.

We provide service for covered systems and/or appliances:

1. that are located at the covered address shown and within the perimeter of the main foundation of the principal residence or the attached garage. The following items are covered outside the main foundation, with applicable options: an exterior well pump, air conditioner, septic system, water heater, pressure regulator, pool or spa;
2. that do not perform their primary function due to normal wear and tear;
3. are in place and in good and safe working order at the beginning of the Service Agreement. Coverage will apply to an existing defect or mechanical failure provided the defect or mechanical failure could not have been detected by a visual inspection and a simple mechanical test. A covered item passes a visual inspection if the item is intact and without damage or missing parts that make the item inoperable. A system or appliance is in good and safe working order if the item functions normally without irregularity, smoke or other adverse outcome when operated;
4. are specified as "included" in the trade sections on pages 3, 4 and 5. If a system or item is not specified as "included" then it is not eligible for service; and
5. are located in an owned or rented residential property less than 5,000 square feet (for homes between 5,000 to 10,000 square feet an additional fee is required, call for a quote) and not commercial property or residences being used for business purposes. Commercial or business purposes include, without limitation: bed and breakfasts, daycare centers, group homes, fraternity/sorority houses, nursing/care homes, hair salons, churches and schools. Systems and appliances located in park model RVs, fifth wheels, motor homes, travel trailers and campers are not eligible for service.

A. PROVIDING SERVICE

1. No claim forms are used, but we must pre-authorize service by an independent service contractor. If a service contractor is not available in your area, we will ask that you call your preferred service contractor and request that they evaluate your problem, but they must call us for authorization prior to performing service. Your service contractor must be licensed and insured. After authorization has been provided, you must send the acceptable proof of your actual itemized costs to 2-10 HBW before any reimbursement amount will be paid.

2. In some instances we may provide payment instead of performing a repair or replacement service when, including but not limited to: (i) the cost of completing a repair or replacement exceeds the stated "DOLLAR LIMIT"; or (ii) even after repair or replacement, the system or appliance remains non-compliant with laws, regulations or code requirements; or (iii) the system or appliance is subject to a manufacturer's recall for a defect unrelated to the covered breakdown.

a. If we elect payment, the amount will equal the lesser of: (i) what the ordinary customer would pay after negotiating the best price for such services in your area and without the benefits of this Service Agreement; or (ii) the amount we would pay for parts and labor for covered service based upon our contracts with service contractors (this amount is usually less than retail cost or your actual cost); or (iii) the "DOLLAR LIMIT" reduced by the service fee paid to the service contractor by you and the cost incurred to diagnose the malfunction.

b. We may elect payment in lieu of repairs in any particular instance. Such payments are typically made subject to restrictions. Some or all of such payment may be paid to you or a service contractor. We are not responsible for work performed by you when payment has been provided in lieu of services.

3. We support the utilization of environmental and ozone friendly alternatives to HCFCs refrigerants. The service contractor may use these refrigerants when repairing or replacing equipment that uses HCFCs refrigerants. Particularly for equipment currently using R-22 as a refrigerant. The service contractor will select a preferred refrigerant based upon its ability to approximate the HCFC refrigerant being replaced, its availability, application and any applicable regional criteria.

B. LIMITATIONS OF LIABILITY

1. We solely determine whether covered systems or appliances and their components will be repaired, replaced or if payment is provided in lieu of services. If a Listing Service Agreement is provided, and a Buyer Service Agreement is not purchased at the time of closing, the Buyer does not have coverage.

2. When replacing a system or component of a system, we are responsible for installing replacement equipment and parts of similar features related to primary function, capacity and efficiency, but not for matching dimensions or brand. We are not responsible for matching any feature of an existing system or appliance that does not contribute to the primary function of that system or appliance. Efforts will be made to match custom colors but cannot be guaranteed. Except for SEER coverage and

R410A compatibility upgrades and code violations described in Section B.3, we are not responsible or liable to upgrade equipment, components or parts due to: (a) the incompatibility of the existing systems and appliances with the replacement system, appliance or component thereof; (b) any type of chemical or material needed to run the replacement systems, appliance or component including, but not limited to, differences in technology, refrigeration requirements or efficiency; or (c) mandates by federal, state or local governments. Should a system or appliance, as a whole be deemed ineligible for coverage, and the service fee is paid, you may request reimbursement of the paid service fee by calling 800.775.4736. If there are multiple service requests made at one time, and coverage is provided for any one of those requests, a service fee is due and not eligible for reimbursement.

3. When replacement of systems or appliances of identical dimensions are not readily available, we are responsible for installation of replacement equipment, but not for the cost of construction, carpentry or other modifications needed because of different dimensions. When Supreme is purchased, we are liable for the cost of construction, carpentry or other modifications needed because of different dimensions, up to \$250 per Service Agreement.

4. We do not correct to bring into compliance, nor pay for corrections of violations of building, fire, zoning codes or local ordinances or state and federal laws or regulations unless stated otherwise for specific covered systems and appliances. Corrections to code violations, permits and modifications when necessary to affect a covered repair are covered up to a total of \$250 per Service Agreement when Supreme is purchased. We do not perform verification and/or diagnostic testing of ductwork, the sealing of ductwork and associated repair costs.

5. We are not obligated to perform service if required permits or approvals cannot be obtained. We are liable for the costs of permits up to \$250 per Service Agreement when Supreme is purchased.

6. We are not liable for incidental, indirect, special, punitive or consequential damages, for bodily/personal injury or property damage.

7. We are not responsible for providing or closing access to covered items, except as noted in the Terms and Conditions. When it is necessary to open walls, floors or ceilings to perform a covered service, we will pay for restoration of surfaces to a rough finish only such as patch, tape, mud and/or sand.

8. We are not responsible for the repair of any cosmetic defects, smells, noises or for the cost of cleaning any parts or equipment.

9. There is no coverage for any loss or damage that is caused or made worse by any of the following causes (whether acting alone, in sequence or concurrence with any other cause or causes): misuse or abuse, missing parts, structural movement, fire, freezing, electrical failure, electrical surge, water damage, water failure, lightning, mud, earthquake, soil or foundation movement, storms, accidents, pest damage, pet damage, mold, mildew, rot, fungus, war, terrorism, acts of God, actual, alleged or threatened discharge, seepage, release or escape of any solid, liquid, gaseous or thermal irritant or contaminant, including smoke, vapor, soot, fumes, acids, alkalis, chemicals and waste, including but not limited to: the leaching of sulfur dioxide from Chinese manufactured drywall.

10. We are not liable for failure to provide timely service due to conditions beyond our control; including but not limited to: delays in obtaining parts, equipment, weather delays, labor difficulties or scheduling difficulties between you and the service contractor.

11. We do not remove any hazardous materials including asbestos; do not transport or store any hazardous materials; and do not perform any repairs where there is environmental contamination or if such repairs would cause contamination. We do not pay charges or fees to dispose of an appliance, system or component, including but not limited to: condensing units, evaporator coils, compressors, capacitors, refrigerators, freezers, water heaters and any system/appliance which contains dangerous or hazardous materials. If noted for specific covered systems and appliances, haul away fees are covered when Supreme is purchased.

12. Costs to repair failures due to inadequate capacity, manufacturer's recall, improper design, improper previous repair (except if repaired under this Service Agreement), problems caused by alterations or modifications, will be at the homeowner's expense. Correction of improper installations, modifications or correction of mismatched equipment will be at the homeowner's expense, except as part of Supreme when necessary to effect an eligible repair. We do not repair items covered under the manufacturer's warranty unless Supreme is purchased.

13. We do not repair or replace appliances classified as commercial grade by the manufacturer, or deemed commercial style residential units. Furthermore, we do not repair or replace heating and air conditioning units over five tons.

14. The maximum aggregate liability for all claims is \$25,000.

15. We reserve the right to obtain an additional diagnosis at our expense.

16. You are responsible for additional charges to remove or install non-related equipment in order to make repairs.

17. You are responsible for cleaning and/or maintaining as specified by the equipment manufacturer.

18. Any coverage for a covered item shall be excess of any other valid and collectible insurance available to you, whether primary, pro-rata or excess, and whether or not collected.

19. You must provide a safe working environment for the dispatched service contractor and any employee of the service contractor, nor harm any equipment/property of the dispatched service contractor. You must not threaten or harm the well-being of 2-10 HBW or any employee of 2-10 HBW.

C. LEASE OPTION HOMES

Service coverage for a home subject to a lease-purchase contract is available for the lessee only. Payment is due at the time of possession of the home through a lease or rental agreement. Coverage begins upon receipt of payment.

D. CONDOMINIUMS AND MULTI-FAMILY UNITS

Shared systems and equipment in a multi-unit building are covered if each dwelling unit has a separate Service Agreement with identical options purchased. Otherwise, if the service request is for a dwelling unit within a multi-unit building, then only systems and appliances specific to the covered dwelling unit will be covered. Common grounds and facilities are excluded.

E. RENEWALS AND TRANSFER OF AGREEMENT

1. This Service Agreement may be renewed at our option and where permitted by state law. In that event, you will be notified of the terms, conditions and price of the offer. Service Agreement payment plans may be available and have an administrative processing and handling fee not to exceed 10%.

2. **Upon renewal when selecting the monthly payment option, you have authorized 2-10 HBW to continue to automatically charge the monthly payment of your current Service Agreement to the credit card on file with us. If you would like to change your payment preference please call us at 800.743.4210. Your Service Agreement will automatically renew at our option, for another 12 month period unless otherwise terminated in accordance with this Service Agreement.**

3. If the covered home is sold during the term of this Service Agreement, you may transfer coverage to the next homeowner by notifying us at 800.795.9595.

F. DISPUTES

We handle every claim separately. This means we review the unique cause(s) of your claim. We rely on the information you provide to our customer service representative about your system or appliance, and the information provided by the service contractor that inspects and repairs system and appliance failures within the Terms & Conditions of this Service Agreement. In the event you do not agree with our determination, we will engage in a commercially reasonable dispute resolution process of your choice but both you and we agree that your unique situation is not to be resolved in combination with any other homeowner that has a Service Agreement.

G. REAL AND PERSONAL PROPERTY

The price of the real property items and services is valued at 94% of the total Service Agreement price and the price of the personal property items and services is valued at 6% of the total Service Agreement price.

H. CANCELLATION OR TERMINATION

The Provider is the responsible party for honoring cancellation requests. Such requests must be received in writing. You may cancel this Service Agreement at any time (send your written request to us at cancellations@2-10.com) and is non-cancelable by us, except for:

1. Fraud or material misrepresentation concerning any covered item or any other facts related to this Service Agreement.

2. Nonpayment of fees.

3. Substantial breaches of contractual duties, conditions or warranties.

THIRTY-DAY GUARANTEE:

If this Service Agreement is canceled within the first 30-days, the owner of the home at the covered address will receive a refund of the purchase price less service costs, unpaid charges and a \$25 processing fee. **Virginia Residents:** \$25 processing fee will not be deducted.

If this Service Agreement is canceled after 30-days, the owner of the home at the covered address will receive a pro-rata refund of the purchase price for the unexpired term less service costs, unpaid charges and a \$25 processing fee.

I. STATE DISCLOSURES

The Service Agreement holder is referred to as "you." Obligations of the Provider under this Service Agreement are backed by full faith and credit of the Provider (issuer) and are not guaranteed under an Agreement Reimbursement Insurance Policy. This Service Agreement is administered and obligated by Home Buyers Resale Warranty Corporation d/b/a 2-10 Home Buyers Warranty (the "Provider," "us," and "we"). **Virginia Residents:** This Service Agreement is administered and obligated by 2-10 Home Buyers Warranty of Virginia, Inc. (the "Provider," "us," and "we"). If you're not able to contact or not satisfied with the Provider you may contact the Insurance Commissioner at: P.O. Box 1157, Richmond, VA 23218 or 800.552.7945.
