

# Introducing a Simple Plan

for Comprehensive, Flexible, Convenient coverage

Finding a home your Buyers love that fits their budget is harder than ever. Many Buyers feel financially squeezed, and they'll likely look to you when important home items break down. Fortunately, 2-10 Home Buyers Warranty (2-10 HBW) can help.

**With 2-10 HBW's new Simple Plan, you can give your clients an affordable solution to breakdowns that's Comprehensive, Flexible, and Convenient.**

## What is the Simple Plan?

The Simple Plan provides coverage against breakdowns to three of the home's most important, expensive items.

**HVAC system**  
(heating and cooling)

**Water heater**

**Refrigerator**

## Why choose the Simple Plan?

The Simple Plan provides three benefits to your Buyers:

- 1. Critical protection**  
Your Buyers can access comprehensive protection for their home's most important, expensive items.
- 2. More affordable**  
The Simple Plan gives cash-strapped Buyers a financially flexible way to protect themselves against expensive breakdowns.
- 3. Less risk**  
Your Buyers can reduce their risks of a breakdown busting their budget with convenient 24/7 access to request Service and multiple ways to seek assistance.
