

WE PAY YOU TO BUY BRAND NEW

Appliance Replacement Offer

2-10 Home Buyers Warranty (2-10 HBW) is always working to make your experience better with added perks. With the 2-10 HBW Appliance Replacement Offer, we pay you to buy brand new.

WHAT is the Appliance Replacement Offer?

When you have a covered appliance breakdown but would rather skip the repair, you can use our Appliance Replacement Offer.

When you submit a service request for an appliance breakdown, you can continue with the traditional service request OR take advantage of our Appliance Replacement Offer.

If you accept the offer, you can purchase a brand-new appliance, submit your receipt to 2-10 HBW, and get money back in reimbursement up to the offered amount. It's that easy!

WHY should I accept the Appliance Replacement Offer?

If you suffer an appliance breakdown and you've been eyeing a replacement from a certain brand or with certain features, this offer is for you.

If you'd rather spend time shopping and buying exactly what you want over scheduling a service call, this offer is for you.

If you'd rather spend the cost of your Service Fee on a brand-new appliance, this offer's for you!

PRO TIP: Combine this offer with our Appliance Discount Program for even more savings! Save BIG on GE and Whirlpool brand appliances. Visit Homeowner Portal for details. 2-10.com/homeowner
